| EBITDA margin (adj.. $)$ | $\mathbf{9 . 9 \%}$ | $6.9 \%$ | $\mathbf{9 . 9 \%}$ | $8.2 \%$ | $8.2 \%$ |

* Adjusted for non-recurring items

The business combination has not impacted the Business Area and therefore no pro forma-information is presented

- Volume and net sales growth mostly outside Europe during Q2
- Price levels remained relatively stable in Europe during H1, market prices fell slightly compared to H1/2012
- Average prices decreased marginally during H1 because of a less favourable product and geographical mix

## Business Area Release Liners

| Key figures (MEUR) | Q2/2013 | Q2/2012 | H1/2013 | H1/2012 | FY 2012 |

| EBITDA** (adj.*) | $\mathbf{4 . 7}$ | 10.2 | $\mathbf{1 0 . 1}$ | $\mathbf{1 8 . 9}$ | 35.7 |

[^1]- Global market continued to be characterised by intense competition, mainly in Asia, and slack demand in Europe during H1
- Cost structure for paper production was adversely affected in H 1 , particularly by the increased price of short-fibre pulp and energy
- Price increases made during Q2

## Business Area Industrial Applications

| Key figures (MEUR) | Q2/2013 | Q2/2012 | H1/2013 | H1/2012 | FY 2012 |
| :--- | :---: | :---: | :---: | :---: | :---: |

| EBITDA margin (adj.*) | $\mathbf{1 2 . 0 \%}$ | $\mathbf{1 2 . 2 \%}$ | $\mathbf{1 0 . 9 \%}$ | $\mathbf{1 1 . 9 \%}$ | $8.2 \%$ |

* Adjusted for non-recurring items

The business combination has not impacted the Business Area and therefore no pro forma-information is presented

- Net sales increase in H 1 mainly due to growing volumes, particularly in abrasive and interleaving papers
- Market prices remained stable during H1
- Increase in volumes was not fully reflected in the financial performance, because of a less favourable product mix and thus lower average prices in H 1

## Business Area Graphics and Packaging

## Outlook for 2013

- Market trends and the demand for Munksjö's Release Liners and Graphics and Packaging products are expected to remain challenging for the rest of the year.
- Profits in the third quarter will be affected by the planned shutdown of production facilities in the summer, which will be similar in duration to last year. A range of pre-defined maintenance operations will be completed during the shutdown.
- Financial performance during the second half of the year will be impacted by non-recurring costs arising from the efforts to achieve the foreseen synergy benefits and the programme to improve profitability in the Graphics and Packaging business area.
