

Introducing our new generation of nonwovens for flooring.

Ahlstrom-Munksjö has been one of the leading glass fiber carrier suppliers to flooring manufacturers for over forty years. Our experience guarantees that you will get the floor carrier you need, tailored to help you get the job done better. Our reliable product offering helps you run your manufacturing lines with maximum efficiency.

Benefits to flooring manufacturers:

- Good dimensional stability and strength, tailored air permeability and thickness according to customers' needs, delivering optimized manufacturing efficiency
- Excellent compatibility with plastisol, providing a smooth surface for enhanced gravure printability
- Extensive product range covering multiple plastisol applications
- Customised and flexible solutions to meet your needs

Ahlstrom-Munksjö is a global leader in fiber-based materials, supplying innovative and sustainable solutions to customers worldwide. Our offerings include decor paper, filter media, release liners, abrasive backings, nonwovens, electrotechnical paper, glass fiber materials, food packaging and labeling, tape, medical fiber materials and solutions for diagnostics. Combined annual net sales are EUR 3 billion and we employ 8,000 people. The Ahlstrom-Munksjö share is listed on the Nasdaq Helsinki and Stockholm. The company was formed on April 1, 2017 through the merger of Ahlstrom Corporation and Munksjö Oyj. Read more at www.ahlstrom-munksjo.com
